**APIs and Trading Platforms:** Alice Blue may provide APIs for facilitate trade automations, for Inhouse Approved Strategy, and exchange-empanelled Algo Provider offerings/strategies that enable Clients to programmatically access market and Trading services. Usage of such APIs is subject to the below Terms, accompanying documentation, and applicable SEBI/exchange regulations.

The Client is expected to be fully aware of the risks associated with the market and the financial instruments being traded on stock exchanges through API/Algo Provider. The Client shall be responsible for complying with laws, rules, regulations, notifications, etc. issued by regulatory authorities as may be applicable from time to time.

## Terms

1. The Client shall ensure that the API/Algo Provider facility provided by the Broker is used only to execute the trades of the Client and shall not be used for transactions on behalf of any other person/entity.
2. The Client shall be responsible for ensuring that only persons authorized by it shall access and use the API/Algo Provider facility provided by the Broker. All orders originating from such facility/system shall be deemed to be authorized by the Client.
3. Where the Client accesses or proposes to access the Broker's API/Algo Provider platform through external applications, including but not restricted to services of third-party service providers, own applications, etc., the Client shall ensure that such applications have adequate security features including but not limited to access controls, password protection, etc.; and that appropriate agreement(s) with such third-party service providers for ensuring secured access and communication have been executed and are in place.
4. The Client shall ensure that no person authorized by them to place orders through the API/Algo Provider facility provided by the Broker has been/is involved in any adverse action by any regulatory authority in any jurisdiction.
5. The Client shall provide the names of authorized individual users to the Broker prior to placing API/Algo Provider orders.
6. The Client shall not use or allow the use of the API/Algo Provider facility to engage in any form of market misconduct including insider trading, market manipulation, or conduct that is otherwise in breach of applicable laws, rules, and regulations.
7. The Client is aware that algorithmic trading, i.e., generation of orders using automated execution logic, is governed by algorithmic trading guidelines issued by SEBI and Exchanges and requires prior registration with the Exchanges. The Client shall ensure that new algorithms and changes to existing approved algorithms are not used through the API/Algo Provider facility without prior approval of the concerned stock exchanges. The Client shall ensure that it has necessary checks and balances in place to identify and control dysfunctional algorithms, and the Broker shall have the right to shut down the API/Algo Provider facility and remove any outstanding client orders in case of any suspected dysfunctional algo.
8. The Client is aware that authentication technologies and strict security measures are required for routing orders through the API/Algo Provider facility and undertakes to ensure that the password of the Client and/or its representative is not revealed to any third party.
9. The Client shall be required to provide information/details/documents/records (physical or electronic) relating to algorithmic trading or incidental matters within the prescribed time to the Trading Member.

10. The Client acknowledges that all orders placed by them through the API/Algo Provider facility would be validated by the risk management system of the Broker. The Broker has the right to accept or reject any order placed by the Client at its sole discretion.

11. The Client shall be solely responsible for all acts or omissions of any person using the API/Algo Provider facility and shall be bound to accept and settle all transactions executed through the API/Algo Provider facility provided by the Broker notwithstanding that such order(s) may have been submitted erroneously or by an unauthorized user, or that its data is inaccurate or incomplete when submitted, or the Client subsequently determines for whatever reason that the order should not have been submitted.

12. The Client shall notify the Broker in the event of the API/Algo Provider facility being compromised. Upon receipt of this notice, the Client's API/Algo Provider facility shall be promptly disabled, but the Client shall continue to be responsible for any misuse of the API/Algo Provider facility or any orders placed through the API/Algo Provider facility as a result of the compromise at their end. The Broker shall not be liable for any loss, liability, or cost whatsoever arising as a result of any unauthorized use of the API/Algo Provider facility at the Client's end.

13. In the event of winding-up or insolvency of the Client, or the Client otherwise becoming incapable of settling their obligations, the Broker may close out the transactions of the Client as permissible under bye-laws, rules, and regulations of the exchanges. The Client shall continue to be liable for any losses, costs, or damages arising thereof.

14. The Client is fully aware of the risks of transmitting orders to the Broker's API/Algo Provider facility through vendor systems or service providers, and the Broker is not responsible for such risks.

15. The Client should be aware that he/she/they will have no recourse against the Trading Member or the Exchange Grievance Redressal Mechanism for any failure of an algorithm, dysfunctional algorithm, or losses arising on account of the use of such algorithmic software/strategies.

16. The Client should be aware of the fact that neither the API/Algo Provider facility will be uninterrupted nor error-free, nor will the results that may be obtained from the use of the service or the timeliness, sequence, accuracy, completeness, reliability, or content of any information, service, or transaction provided through the API/Algo Provider facility. The API/Algo Provider facility service is provided on an 'as is', 'as available' basis without warranties of any kind, either express or implied, including but not limited to those of information access, order execution, merchantability, and fitness for a particular purpose. The Broker shall not be liable for any loss, damage, or injury including but not limited to direct lost profits or trading losses or any consequential, special, incidental, indirect, or similar damages from the use or inability to use the service or any part thereof.

17. The Broker shall have the right to withdraw the API/Algo Provider facility in case of:

- a. Breach of the limits imposed by the Broker or any regulatory authority.

b. Misuse of the API/Algo Provider facility by the Client or on instructions from SEBI/Exchanges.

c. Any other reason, at the discretion of the Broker. The Broker shall endeavour to give reasonable notice to the Client in such instances.

18. The Broker shall not be liable or responsible for non-execution of the orders of the Client placed using the API/Algo Provider facility due to any link/system failure at the Client's/Broker's/Exchange(s)' end.

19. This document shall not be altered, amended, and/or modified by the parties in a manner that shall be in contravention of any other provisions of this document. Any additional terms and conditions should not be in contravention of the rules/regulations/bye-laws/circulars of the relevant authorities including applicable stock exchanges, as amended from time to time.

### **Acceptance of Terms**

By accessing or using the API/Algo Provider facility, the I/we acknowledges and agrees to these Terms and Conditions, as updated from time to time on Alice blue Website [www.aliceblueonline.com](http://www.aliceblueonline.com).
